

CITROËN C5

PASSION MEETS LOGIC. HERE IS A CAR THAT WILL STIMULATE YOUR HEART AS MUCH AS YOUR HEAD, YOUR BODY AS MUCH AS YOUR SOUL.

FROM THE PHYSICS TO THE PHYSICAL, IT RE-DEFINES EVERY
DETAIL OF COMFORT, AESTHETICS, PERFORMANCE AND
PROTECTION. IN ESSENCE, THE CITROËN C5 HAS BEEN
CREATED TO MAKE OPPOSITES EXTREMELY ATTRACTIVE.

With a sophisticated combination of contemporary design and cutting-edge
technology, the Citroën C5 marries your passion for driving with a logical need to
feel protected – your passion for style, with the rational demands of the executive car.

What instantly strikes you is the muscular yet refined build. Long, wide and low with
a very dynamic profile, it's clearly a car that means serious business. This is instantly
confirmed the moment you move inside – a driver-focused cockpit, advanced
features to protect you and the environment, and a driving experience designed
around sure-footed exhilaration. It's all about total control – that gives your heart total
freedom to roam.

CITROËN
C5
DYNAMIC
STYLING

ATHLETIC AESTHETICS. NOWHERE ARE
OPPOSITES MORE ATTRACTIVE THAN ON
THE CITROËN C5'S EXTERIOR STYLING.

FROM THE ELEGANT, ENERGETIC LINES OF THE SALOON TO THE FLOWING DYNAMISM OF THE TOURER, THE CITROËN C5 STRIKES A STUNNING BALANCE BETWEEN REFINED STYLE AND SPORTY EXUBERANCE. IT'S A CAR THAT'S BUILT TO TURN HEADS AS QUICKLY AS IT DOES CORNERS.

> THE SALOON: ART AND POWER

From any angle, the Citroën C5 saloon inspires awe and desire. With the muscular wheel arches and a concave rear window, its road presence is impossible to ignore. Viewed head-on, it is particularly imposing – with the trademark chrome chevrons and large air-intakes flanked by the incisive, signature boomerang headlamps with integrated daytime-running LEDs. In profile it shows an even more sophisticated side – the sculpted body and extended roofline are indicative of the prestige and style of this thoroughbred executive saloon.

> THE TOURER: HIDDEN SPACE

The Citroën C5 Tourer pulls off an amazing feat of optical illusion – disguising its ample interior with a nimble-looking, silky silhouette that evokes performance from every angle. Reflecting the saloon's stylish design and dynamic presence, it balances long, sleek lines with the trademark high waist. And at the same time, it is immediately recognisable as one of Citroën's superb touring models, with its wide track and wheels flush to the body.

INVIGORATING LUXURY.

SOMETHING STRANGE HAPPENS WHEN YOU SIT INSIDE THE CITROËN C5 – YOU FEEL EXCITED AND RELAXED, ALL AT ONCE. THE MOODY LIGHTING, THE DAMPED GLOVE BOXES, THE LEATHER STEERING WHEEL AND THE TANGIBLE QUALITY OF MATERIALS AND FINISHES. IT'S A PLEASANTLY THRILLING SENSATION.

> SIT TIGHT

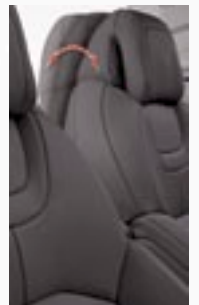

Nothing sums up this unique experience better than the Citroën C5's seats, which are ergonomically sculpted for maximum comfort in all driving conditions. And when you opt for a leather interior on VTR+ NAV and Exclusive models, you'll enjoy the added luxury of heated, electric front seats which can be effortlessly adjusted to your preferred position. The driver's seat even has a massage function – for a little high speed relaxation.

> FUTURISTIC INTERIOR

The Citroën C5 marries cutting-edge luxury with solid, unyielding quality. Its state-of-the-art cockpit is driver-focused with a host of exciting technology at your fingertips, while the stylishly lit dashboard displays all vital information. The centrepiece is a clean, uncluttered console with air conditioning seamlessly incorporated into the design – including dual-zone automatic air conditioning on VTR+ NAV and Exclusive models.

> TRAVEL IN SPACE

Not to be outdone for size, the Citroën C5 has one of the longest wheelbases in its segment. What's more, its generous dimensions deliver a roomy interior for exceptional passenger comfort and load-carrying. In essence, it's a spacious vehicle packed with many more little luxuries.

CITROËN
C5
SPACE, COMFORT
& STYLE

› PEACEFUL OASIS

Drive-comfort is at the heart of the Citroën C5 and it has numerous advanced soundproofing features to wrap you in your own haven of tranquility. With triple door seals, reinforced roof lining and an acoustic windscreen, the Citroën C5's insulating innovations exceed all expectations for an executive saloon. On Exclusive models, you even enjoy laminated side windows for total isolation from the outside world.

CITROËN
C5
DRIVING
DYNAMICS

CONTROLLED POWER. YOUR HEART WANTS TO PUMP. YOUR HEAD WANTS TO CONTROL. SO THE CITROËN C5 PAYS EQUAL HOMAGE TO BOTH.

PREPARE YOURSELF FOR A PERFORMANCE WHERE STIRRING POWER IS KEPT IN CHECK BY PRECISE STEERING. A GRIPPING DRIVE IS MADE EVEN BETTER BY HIGH LEVELS OF COMFORT AND SAFETY.

› SUSPEND DISBELIEF

You always expect an outstanding ride from Citroën, and the C5 delivers this with a choice of two sophisticated suspensions. The core system is a highly engineered front double wishbone and multi-link rear suspension – it's a set-up that's been specially tuned to complement the Citroën C5's dynamic looks with an equally dynamic drive, without compromising comfort.

› ACTIVE DRIVE COMFORT

Of course, if you really want to experience something unique, you can opt for the Hydractive 3+ suspension, our most advanced system to date. This advanced technology offers a whole new standard of luxurious driving, or at a touch of the 'sport mode' button, the ultimate in driving excitement. Hydractive 3+ also has Citroën's trademark self-levelling feature that guarantees a constant ride height regardless of load or number of passengers – particularly useful for the Tourer. The ingenuity does not end there. The suspension constantly monitors speed and road conditions, lowering the car at 70mph to optimise stability and fuel economy. So whatever you're looking for – supreme comfort, an exhilarating performance or unrivalled load-carrying ability – the Citroën C5 has some truly inspiring answers.

› FUELLING ENJOYMENT

You can see it's a driver's car the moment you lay eyes on it. But if you need any further proof of the Citroën C5's motoring credentials, look no further than the range-topping V6, which delivers a potent 240hp. This high performance engine turns the Citroën C5 into one of the most exhilarating executive vehicles on the road. And the Citroën C5 offers as much versatility as it does power, with a selection of one petrol and four diesel engines to match the level of pleasure and efficiency you're looking for. There's even a choice of automatic and manual gearboxes to put that final performance decision firmly in the palm of your hand.

ADVANCED SIMPLICITY.

EVERY SECOND, INNOVATIVE TECHNOLOGY IN THE CITROËN C5 IS MAKING A MILLION CALCULATIONS – WHERE YOU ARE, WHERE YOU'RE GOING, AND HOW IT CAN GET YOU THERE FASTER, SAFER AND MORE COMFORTABLY. ALL YOU HAVE TO DO IS SIT BACK AND ENJOY THE DRIVE – CONTROLLING THE MAJORITY OF IT FROM THE COMFORT OF YOUR STEERING WHEEL.

› STEERING INTELLIGENCE

At the heart of the Citroën C5's technology revolution is the new fixed-centred controls steering wheel. Needless to say, it does so much more than turn the wheels – in fact it turns your car into a high tech tool, adjustable at the soft touch of a button. From activating the speed limiter and cruise control to changing songs or the central information display, you have everything you need for the drive, right at your fingertips.

› NAVIGATION INNOVATION

So much more than navigation, the optional NaviDrive system on Exclusive models is a powerful hub of information, communication and even entertainment. It gives you GPS navigation, live traffic updates and a Bluetooth® system with USB socket. NaviDrive also features a top of the range audio system with a 10GB hard disc with jukebox function so you can drive for days without having to push a button. It even has European mapping, which makes crossing borders as seamless as switching tracks.

The MyWay colour satellite navigation system standard on VTR+ NAV models, has SD card integrated European mapping which brings you live traffic information, voice guidance and graphics in 2D or aerial perspective. It also features a Bluetooth® system. Cutting edge entertainment, navigation and communication are all in the mix.

CITROËN C5 TECHNOLOGY & INNOVATION

› INTELLIGENT INSTINCT

The Citroën eTouch Emergency and Assistance System on Exclusive models is a bold step forward in security at the press of a button. Or two. In the event of an accident or sudden health problem, one push of the 'SOS' button will instantly contact the emergency services. If there's a more serious incident, SOS activates automatically. After a breakdown, one push on the 'chevron' button will alert Citroën Assistance, sending both location details and an initial fault report. Further innovations include Eco Driving and an on-line maintenance guide which help optimise driving style for efficiency and monitor maintenance needs or possible problems, through a personal web account at MyCITROËN.

› CLEAR THINKING

To make your night drives even more pleasant, all Citroën C5 models are equipped with the static Adaptive Front-lighting System (AFS), which boosts lighting functionality to give you a clearer view of the road, wherever it takes you. On Exclusive models, you can opt for Xenon Dual-Function Directional headlamps. With dynamic AFS, it follows the car's steering, greatly enhancing visibility on corners and at junctions.

› CLEVER LITTLE EXTRAS

When the time comes to park, the availability of 'gap' measurement technology and front and rear parking assistance means you can manoeuvre easily into the tightest spaces. And if your arms are full of shopping, the automatic boot on Exclusive Tourer models can be opened with a touch of your remote.

CITROËN
C5
ENVIRONMENTAL

POWERFUL CONSIDERATION.

ENVIRONMENTAL CONCERN AND POWERFUL PERFORMANCE AREN'T USUALLY CRITERIA YOU'D GROUP TOGETHER. BUT IN THE CITROËN C5, WE'VE EVOLVED OUR TECHNOLOGY FOR GREENER, QUIETER ENGINES – WITH PLENTY OF EXHILARATING PERFORMANCE. IT'S JUST ONE MORE REASON YOU'LL FEEL GOOD DRIVING THE CITROËN C5.

› DRIVING PEACE OF MIND

A clean, efficient driving experience is at the heart of the Citroën brand. Our cars are designed to the highest environmental standards and fuel-efficiency is a major priority for our engineers. The Citroën C5 takes this even further, ensuring optimised CO₂ levels by cutting pollutant emissions with its electronically controlled high pressure direct injection diesel engines, as well as its multi-valve petrol engines.

› ENERGY SAVER® TYRES

With a reduction in rolling resistance of 20%, Michelin's Energy Saver® tyres, fitted on HDi 110 manual VTR+ NAV models, reduce the amount of energy needed to propel the car along the road which results in a reduction in the fuel consumption. This is achieved with no loss of grip or stability, with shorter stopping distances in wet conditions. The tyre's innovative architecture generates fuel savings of nearly 0.5 litres per 100km (in combined cycle), resulting in a reduction in CO₂ emissions of nearly 19g/km and around one tonne less CO₂ over the entire life of a Citroën C5.

› BIG IDEAS, SMALL FOOTPRINT

15 years of development have gone into our HDi direct injection engines, making them refined and frugal. In combination with a beautifully simple Stop & Start system and sophisticated EGS gearbox, the e-HDi 110 Airdream EGS6 can achieve 62.8mpg and CO₂ emissions of only 117g/km.

The EGS gearbox is an advanced transmission that lets you select either effortless full automatic shifts, or manual changes via the steering wheel mounted paddles. It's part of what makes Citroën efficient engineering unique. Stop & Start puts the engine into idle mode as you decelerate and stops altogether as you come to a halt. The moment you take your foot off the brake, it restarts silently and without vibration. It helps to reduce CO₂ by about 5g/km and fuel consumption by 15% in the city.

PROTECTIVE FORCE.

PACKED WITH CUTTING-EDGE TECHNOLOGY, THE CITROËN C5 DOES EVERYTHING IT CAN TO PREVENT ACCIDENTS. OF COURSE IF ONE DOES HAPPEN, REST ASSURED YOU AND YOUR PASSENGERS ARE SURROUNDED BY ONE OF THE FINEST PROTECTIVE BODY-SHELLS ON THE ROAD.

› PROACTIVE SAFETY

Safety is not optional on the Citroën C5, with a lengthy standard of accident-avoiding technology putting you in control. It has an advanced braking system with Electronic Brakeforce Distribution (EBD), Emergency Braking Assistance (EBA), Anti-lock Braking System (ABS) and Electronic Stability Programme (ESP) so you can stay on guard in all conditions. And if you do find yourself in an unexpectedly hairy situation, you can rely on sophisticated added safety measures – such as traction control and hazard warning lights activated automatically when the ABS operates.

› ADAPT TO IMPACT

With a reinforced outer shell, the Citroën C5 has been designed for endurance as well as performance. The front end features upper and lower energy absorbers which provide cushioning on impact, while the cabin structure is also reinforced to create a strong passenger survival cell. In the Citroën C5, you and your passengers are obsessively protected from every direction – with up to nine airbags cushioning against front, side and head impact. In the passenger seat, there's optional airbag de-activation and importantly for the driver, not only does the steering column retract by 65mm, but thanks to the fixed-centred controls steering wheel, your airbag always deploys at the safest possible angle.

› STRENGTH AND POISE

Even when it's stopped, the Citroën C5 doesn't sleep. It's constantly on alert for dangerous situations, with anti-theft alarm and deadlocks fitted as standard. Automatic re-locking after 30 seconds gives you extra peace of mind, and with protective laminated side windows fitted on Exclusive models to guard against intruders, the Citroën C5 is reassuringly defended.

CITROËN C5 SAFETY

› HARNESSING PROTECTION

Even the most basic details – such as seat belts – have been thoroughly considered. The Citroën C5's front seat belts are height-adjustable and fitted with force-limiters. Isofix anchor points are also standard – with two on either side of the rear seat. All of which makes the Citroën C5 an exceptionally secure place for adults and children.

CITROËN
C5
RANGE OVERVIEW

**YOUR HEART HAS SPOKEN.
NOW IT'S TIME FOR SOME
RATIONAL DECISION-MAKING.**

INTRODUCING THE CITROËN C5 VTR. BRISTLING WITH FEATURES...

EVERY MODEL IN THE CITROËN C5 RANGE IS DESIGNED TO RAISE THE HAIRS ON THE BACK OF YOUR NECK – WHETHER DRIVING IT OR SIMPLY ADMIRING IT. THE VTR HAS LEVELS OF COMFORT, SAFETY AND ADVANCED TECHNOLOGY YOU WOULDN'T EXPECT AS STANDARD ON AN EXECUTIVE CAR. DAYTIME-RUNNING LEDS, AUTOMATIC AIR CONDITIONING, ESP, SEVEN AIRBAGS, CRUISE CONTROL WITH SPEED LIMITER, TRIP COMPUTER, FRONT AND REAR ELECTRIC WINDOWS, ALARM WITH DEADLOCKS AND RADIO/MP3 COMPATIBLE CD PLAYER... SALOON OR TOURER, YOU'RE ABOUT TO ENJOY A FEAST OF ENVIABLE FEATURES.

> CITROËN C5 VTR SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution (EBD)
- Electronic Stability Programme (ESP) with traction control
- Emergency Braking Assistance (EBA)
- Intelligent Traction Control System
- Driver's and front passenger's airbag
- Front lateral, curtain and driver's knee airbags
- Two outer rear Isofix child seat anchorage points
- Anti-theft alarm (perimetric and volumetric)
- High-frequency multi-function flip remote control with folding ignition key and 'guide-me-home' function
- Cornering lights
- Body colour bumper skirts, door handles and door mirrors
- 16" 'Lapland' wheel covers (set of four)
- Multi-functional fixed-centred controls steering wheel
- Halogen headlamps
- Electrically adjustable and heated door mirrors
- Variable power assisted steering
- Automatic air conditioning with soft diffusion system
- Pollen filter
- Front and rear electric windows with 'one-touch' operation and anti-pinch
- Acoustic windscreen
- Cruise control with speed limiter
- RDS stereo radio/MP3 compatible CD player with bit-tuner
- Leather steering wheel with decor inserts
- Multi-function on-board trip computer
- Height-adjustable driver's seat
- Roof bars (Tourer only)
- Daytime-running LEDs

* Exclusive models are not fitted with satellite navigation, which is available as an option only.

WIDER VISION. QUICKER RESPONSES. HIGHER INTELLIGENCE. WE'VE EMPOWERED YOUR SENSES. NOW IT'S UP TO YOU TO TRUST YOUR INSTINCTS.

> DETECTION PACKS 1 & 2

With the Citroën C5's front and rear parking sensors, the audible warning increases in frequency the nearer you get to an obstacle – even sounding from the left or right speaker depending on which side the obstacle is. Meanwhile, the multi-function screen shows six detection zones to warn you of obstacles you wouldn't ordinarily be aware of. Detection packs also include the parking space 'gap' measurement system – which scans the necessary spaces before telling you whether the parking manoeuvre is possible, difficult or inadvisable.

> NAVIDRIVE PACK AND CONCERT PACK

The NaviDrive Pack available on Exclusive models is the control hub of the Citroën C5 – and a masterpiece in sophisticated technology. The 30GB hard drive contains 20GB for European mapping, so even as you cross borders you can pinpoint your position exactly. The NaviDrive Pack also provides live traffic updates in the UK and a Bluetooth® system with USB socket. And with the ability to upload hundreds of hours of music onto the 10GB hard drive, you set the soundtrack at the touch of a button – no need to change CDs.

› LEATHER PACK

The elegant Leather Pack, available on both VTR+ NAV and Exclusive models, is the epitome of luxury. Sumptuous electric and heated leather seats provide all passengers with the highest level of comfort. And the driver's seat even has a massage function.

› XENON DUAL-FUNCTION DIRECTIONAL HEADLAMPS

On Exclusive models, Xenon Dual-Function Directional headlamps with cornering lights are also available. Linked to the steering wheel, they follow the curve of the road – lighting an additional 15-degree angle on bends so you have even greater light intensity in the direction you turn.

OPTION SUMMARY.

FROM THE LUXURY TO THE VISIONARY. FROM PEACE OF MIND TO SOUL-STIRRING SOUND. THIS IS SO MUCH MORE THAN A TO B... THIS IS THE CITROËN C5. AND NOW THAT YOU HAVE A CLEARER IDEA OF EXACTLY WHAT THIS CAR CAN OFFER, THE FOLLOWING TABLE WILL HELP YOU MAKE THAT FINAL, ALL-IMPORTANT DECISION ON WHICH MODEL WILL SATISFY YOUR SPECIFIC NEEDS.

ADDED LUXURIES.

PERSONALISE YOUR CITROËN C5 TO SUIT YOU. WHETHER YOU NEED EXTRA CHILD SAFETY FEATURES, IN-CAR ENTERTAINMENT OR A HANDS-FREE PHONE KIT, CITROËN ACCESSORIES ARE DESIGNED TO MAKE YOUR JOURNEY SAFER AND MORE ENJOYABLE.

› REVERSE PARKING SENSOR KIT

Parking becomes stress-free with Citroën's reverse parking sensor kit, which is subtly integrated into the rear bumper. Enjoy driving your new Citroën C5 with added peace of mind.

› ROOF BARS, ROOF BOXES, SKI & SNOWBOARD CARRIERS AND BICYCLE CARRIERS

Citroën roof boxes (A+B) are available in 340, 370 or 430 litre capacities and enable you and your family to have a more relaxing journey with increased comfort on day trips and holidays with all your clutter hidden away on the roof.

Citroën traversing roofbars (C) are designed to match the sleek lines of your new Citroën C5 and are also available as additions to Citroën C5 factory fitted roofbars on Tourer models (D). They can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

During those winter months, transport your skis and snowboards easily and safely with Citroën Ski and Snowboard Carriers (E+F). Quick to install and lockable to protect against theft, they enable you to carry up to 6 pairs of skis.

Perfect for a weekend get-away, Citroën bicycle carriers (G) with aluminium or steel frames are a secure and hassle-free way of transporting your bike. Please contact your local Dealer for information about additional fixings that may be required.

Visit www.accessories.citroen.co.uk to view our range of Citroën C5 accessories.

> MP3 ADAPTOR

Enjoy music from your own MP3 player and control your song selection through the dashboard stereo thanks to this clever little MP3 adaptor.

Not compatible with integrated satellite navigation systems.
MP3 player not included.

> WIFI ON BOARD

Offers wireless internet connectivity. WiFi On Board system will enable multiple devices to connect to the internet whilst on the move or when the vehicle is stationary through a 3G/3G+ SIM Card.

3G/3G+ SIM Card not included.

> MANUAL DEMOUNTABLE TOWBAR

Citroën towbars have been developed to ensure the highest standards of safety and strength. Created with your new Citroën C5 in mind, these accessories match your Citroën's style perfectly.

CITROËN ENVIRONMENTAL COMMITMENT

> INTRODUCING A MORE ECOLOGICAL CAR

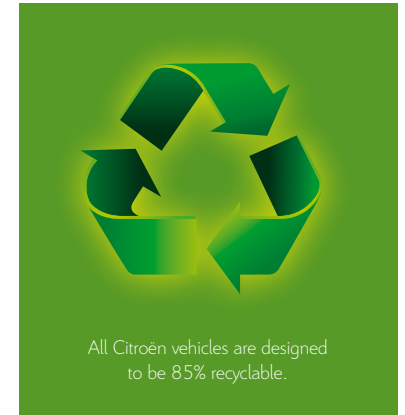

The Citroën C-Cactus concept, a car designed on ecological principles. It includes a significant proportion of recycled or recyclable materials and, like the plant it is named after, it is low on liquid consumption. At the same time, Citroën C-Cactus is designed to be no more expensive than a mid-range family car. This can be attributed to the use of new materials and to a rational design process using a smaller number of parts. Citroën C-Cactus is an essential vehicle reflecting a new vision of the car, many of its thoughts and themes will appear in modern Citroën vehicles to come.

EFFICIENCY MINUS COMPROMISE. CITROËN HAS CREATED FUEL-EFFICIENT VEHICLES WITHOUT SACRIFICING DRIVER ENJOYMENT FOR SOME TIME. THE LATEST ADVANCES TAKE THIS FINE BALANCE FURTHER STILL...

WITH THE PROVEN CREDENTIALS AND ENVIRONMENTAL PERFORMANCE OF CITROËN HDi DIRECT INJECTION ENGINES AS INSPIRATION, e-HDi ADDS NEW TECHNOLOGY, SUCH AS A SMOOTH, SIMPLE STOP & START SYSTEM AND EGS GEARBOX. THE RESULTS ARE A DRAMATIC REDUCTION IN BOTH FUEL CONSUMPTION AND CO₂ EMISSIONS, COMBINED WITH RESPONSIVE PERFORMANCE WHEREVER YOU GO.

We've also been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Electronic Gearbox System (EGS), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition, Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from Citroën.

› ELECTRIFYING. HOWEVER YOU LOOK AT IT

Forget what you know about electric cars. Citroën Survolt concept combines undiluted glamour with advanced sporting dynamics, then adds a 100% electric drivetrain. Outside, LED lights, voluptuous curves, two-tone charcoal and fuchsia paintwork, and a race-inspired rear spoiler meet your gaze. Inside, a stunning blend of curved chrome, swooping glass, high technology and organic forms welcomes you to an entirely new place. But this is no simple styling exercise. At heart, Survolt is even more radical, because although it is designed to thrill, it is powered purely by silent, efficient, clean electricity.

› AIRDREAM – A BENCHMARK

When it comes to the environment we wanted to show our genuine commitment as well as our profound expertise, so we have devised a benchmarking scheme with the signature 'Airdream'. To qualify for the Airdream signature, vehicles must have an e-HDi, electric or Hybrid4 engine.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR NEW CITROËN C5, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN FINANCIAL SERVICES PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

CITROËN FINANCIAL SERVICES ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

CITROËN FINANCIAL SERVICES ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

➤ TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

CITROËN CONTRACT MOTORING BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

CITROËN CONTRACT MOTORING LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CITROËN CONTRACT MOTORING CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

➤ FOR MORE INFORMATION ON CITROËN FLEET AND BUSINESS SALES, PLEASE CALL CITROËN FLEET CONNECT ON 08457 940 940 OR LOOK US UP AT WWW.CITROEN.CO.UK/FLEET

> ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN C5 IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please ask a member of staff or pick up a leaflet today.

CITROËN EXTENDED WARRANTY

With a Citroën Extended Warranty, we offer you the opportunity to continue your care-free motoring for a further 1 or 2 years beyond the 3 year warranty and up to 120,000 miles.

To find out more, contact your Citroën Dealer or call the Customer Contact Centre on 0844 463 3500.

Extended Warranty insurance is underwritten by Pinnacle Insurance Plc which is authorised and regulated by the Financial Services Authority.

CITROËN INSURANCE

CITROËN INSURANCE INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

CITROËN INSURANCE MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts.

So, when the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by UK Insurance Ltd which is authorised and regulated by the Financial Services Authority. Citroën Insurance is a trading style of Banque PSA Finance UK of Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

CITROËN

C5

GLOSSARY

› FIXED-CENTRED CONTROLS STEERING WHEEL

A Citroën innovation that makes for safer driving in every way. Whilst the rim of the steering wheel turns normally, the centre hub remains static which means that all the audio, information and driving controls operated from here stay in exactly the same place. It also means that the driver's airbag can be specially sculpted to deploy more favourably than the round ones necessary in cars with conventional steering wheels.

› HYDRACTIVE 3+ SUSPENSION

An outstanding Citroën invention built on the company's renowned hydropneumatic sphere platform, Hydractive 3+ suspension offers the ultimate in driver control and passenger comfort. To begin with, the car maintains a constant ride height at all times regardless of load (either weight or force) which ensures excellent driver control. In addition, electronic sensors read the road and driving style hundreds of times a second and adapt the hydraulic damping accordingly, maintaining perfect poise. The driver is also able to select two different suspension modes designed for varying degrees of comfort or sporty driving. The system is maintenance free for five years or 200,000km.

› CONNECTING BOX

Integrated Bluetooth® hands-free phone function with USB socket and jack to plug in a portable MP3 player.

› MYWAY COLOUR SATELLITE NAVIGATION

MyWay is completely integrated into the vehicle which avoids the risk of theft. The design has been created for ease of use and with steering wheel controls, navigating from your phone to the satellite navigation couldn't be any easier. MyWay allows you to define routes, stops and places of interest with the added benefit of vocal instruction. MyWay also provides live traffic updates of any congestion spots or delays. A GPS integrated aerial is built into the vehicle, to maximise the reception of satellite information; therefore permitting an accurate location of the car.

› ADAPTIVE FRONT-LIGHTING SYSTEM (AFS)

Designed specifically to aid safety when driving in the dark, Citroën C5's static AFS provides an extra light at the front when turning a corner at low speeds. Also, see Xenon dual-function Directional Headlamps with cornering lights for dynamic AFS.

› PHILIPS HI-FI SYSTEM

The Philips Hi-Fi system has just some of the following features: Dolby surround sound, made to measure acoustics, spatial sounds specially developed and configured for the passenger compartment, 1 subwoofer, high digital signal processor, digital amplifier and 8 Philips speakers.

› XENON DUAL-FUNCTION DIRECTIONAL HEADLAMPS WITH CORNERING LIGHTS

A dynamic AFS with lamps that respond to the steering, adjusting the direction of the beam in the direction of the turn by up to 15 degrees. These headlamps contain a directional twin xenon elliptical module for use in the dipped and full-beam positions, and a complex surface "long-range" halogen unit for full-beam only. This combined assembly delivers an extremely high level of forward visibility.

› HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Our HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions and thanks to the torque available at low engine speed it could be argued that driveability is now better than in petrol engined cars.

› e-HDi DIESEL ENGINE

The e-HDi 110 Airdream EGS6 engine is capable of 62.8mpg and CO₂ emissions of just 117g/km combined with the EGS gearbox. It has a reversible starter-alternator that works in tandem with an e-booster to provide a seamless Stop & Start function. Going further than other similar systems, the e-HDi's Stop & Start puts the engine into idle mode while decelerating before coming to a complete standstill. This reduces consumption by 15% in urban driving.

› ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. The Citroën C5's ABS system is further enhanced with EBA and EBD (see below).

› ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

› EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

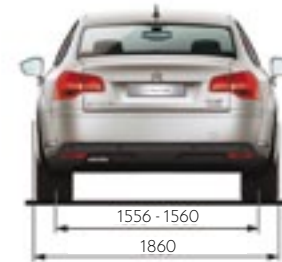

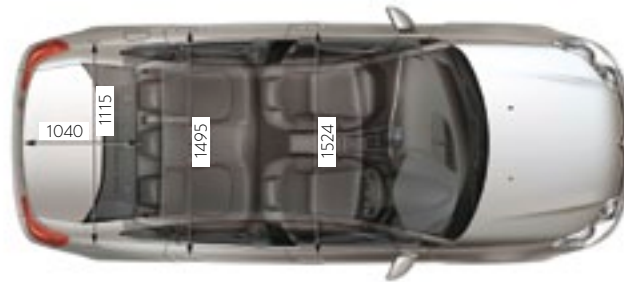

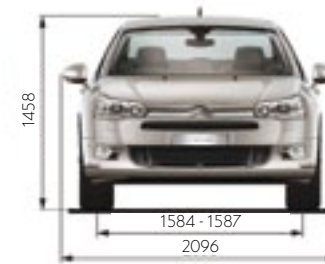

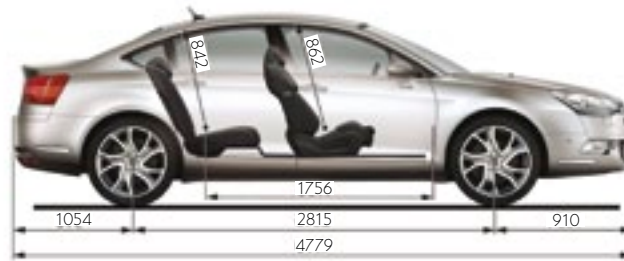

› ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

› ISOFIX

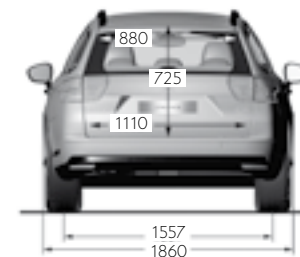

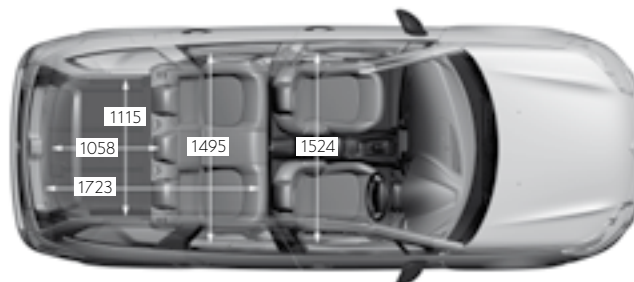

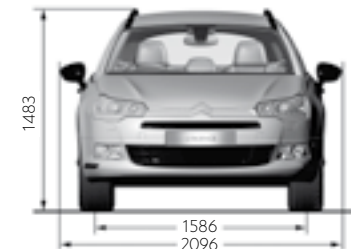

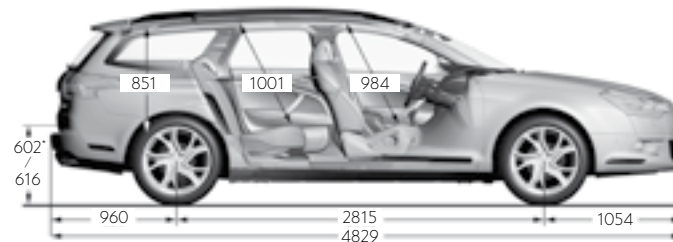

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On the Citroën C5, Isofix is installed on the two outer rear seats.
